

Full-Day Jeep Tour, Natural Pools, Seixal & Fanal Forest

Madeira West 4x4 Adventure Tour (8 hours duration)

Discover the stunning west side of Madeira, a region of dramatic mountains, impressive cliffs, deep valleys, beautiful waterfalls, lush forests, and natural lava pools with crystal-clear waters. The best way to explore these breathtaking landscapes is aboard a comfortable 4x4 vehicle.

Your adventure begins with pick-up at your hotel in Funchal, followed by a visit to the charming fishing village of Câmara de Lobos. Enjoy spectacular viewpoints along the way, including the famous Cabo Girão Skywalk, one of Europe's highest sea cliffs. (Extra Fee not included)

Continue through Ribeira Brava and Serra de Água, admiring the island's natural beauty before heading off-road to discover hidden gems and unforgettable panoramic views. Visit the picturesque village of São Vicente and the stunning coastal area of Seixal, where you'll have time to explore and take photographs.

The tour then takes you to Ribeira da Janela, known for its unique rock formations, before arriving at Porto Moniz. Here, you'll have free time to relax, swim, and enjoy the famous natural volcanic pools.

Next, experience the magical atmosphere of the ancient Fanal Forest, with its centuries-old laurel trees, and cross the vast plateau of Paul da Serra. On the return journey, stop in Ponta do Sol, one of Madeira's sunniest and most beautiful villages.

After a day filled with unforgettable scenery and unique experiences, return comfortably to your hotel in Funchal.
