### **Funchal – Eira do Serrado and Monte – Full day**

Departure from Funchal (place and time to be determined), we pass by the Pico dos Barcelos viewpoint, a privileged place from which you can admire the entire amphitheater of the city of Funchal and then the Eira do Serrado viewpoint where you can see the parish of Curral das Freitas, which became known for being the place where the nuns of the Convent of Santa Clara in Funchal, took refuge during the invasions of pirates and French Corsairs, as it is a difficult place to access and then we will visit Monte and its gardens as well as the church where the patron saint of Funchal is Nossa Senhora do Monte.

The visit includes Transport, official Guide and Lunch.

Price per person: 60.00€
